56 DEGREES

Faith Fired Up

A specialty Sunday morning program, designed for kids in grades 5 & 6, to help them be intentional about building relationships with each other and with God.

WHAT IS IT?

This fall has brought an exciting new change for our children's programs, to Sunday mornings at Eastview. In reviewing the effectiveness of our Sunday morning programming, we discovered that we should be providing more in-depth challenge to the grade 5 & 6 children, to be intentionally seeking God, and helping them to discover His purposes for them, as members of the church, Christ's body.

So we are thrilled to be able to provide 56 Degrees, an engaging and purposeful Sunday morning environment for this group of children.

As always, we are happy to have input from the parents of "our" kids. You know and care for them the best. So we would love to hear from you, and to hear what you are hearing from your grade fiver or sixer.

LaVonne, the director of 56 Degrees, along with her husband, Andy, and 9 Small Group Leaders, is committed to helping this group of children grow in their understanding of who God is, what His Word has to say to them, and how they can apply Sunday morning sessions into their everyday lives.

9:30 & 11:15 SERVICES

Monthly Events

JAM Session

Jesus and Me

Small groups work together on a passage of Scripture, reading it together, and wondering together about what it means, and how it applies to them. Studies are kept in a duotang, which each child will take home at the end of the ministry year. Make sure you bring your Bible!

M2 Sunday

Music & Missions

Focus on worship through music, as well as through "adopting" missionaries and learning about missions.

Bible Blitz

Genesis to Revelation

Bibles required! Learning the books of the Bible in order, AND more importantly, which stories are in each of those books. We will discover how all of those stories fit together to tell us THE big story of God's plan and His love for us.

YOYO

Your On Your Own

These Sundays are opportunities for kids to try out their skills and talent, in serving each other in a worship service. Drama, music, dance, reading, are some of the options they will choose from.
