56 Degrees Grades 5 & 6

In January, we are continuing our journey through the Old Testament, looking at an overview of Job through Song of Songs. As we piece together the parts of God's big story, we are discovering how this is a story of God's plan and his love for each of us.

We are discovering the virtue of **Discipline**, which is "doing what you need to do, even when you don't feel like it." This month's Bible verse: "Whatever you do, work at it with all your heart, as working for the Lord, not for men." Colossians 3:23

Ask God for a smooth transition as David Wiebe completes his duties as executive director at the Canadian Conference and commences his role at the International Community of Mennonite Brethren (ICOMB) as interim executive secretary.
