Thailand Mission Trip Update taken from Blog Friday, August 16

One of the moments that will forever stand out to me from this mission trip was the evening Julia, Joleen and I (Cory) trekked out to a Burmese small group late at night. We were asked to head out to the home of a Burmese man to encourage him and his friends in their new faith. We hopped into a truck and headed out for his home. It was already late in the evening causing this trip to end with a walk through a swamp with only flashlights guiding our steps. As we approached his home, we were shocked to see the conditions in which he lived. His home was made up of tin siding and scrap pieces of wood. In fact, there were only 3 walls to the structure. There was one room, about 10 feet by 10 feet. The house was situated in the middle of a swamp with what seemed to be acres of empty field and swamp on every side. We entered his home and sat with him and his friends for almost 3 hours. We worshiped together, prayed together, and encouraged him in his faith. Julia and Joleen both shared with him what God meant to them and how He has been working in their lives. As a youth leader, this was a very cool moment for me. I've known both these young ladies for years beginning in Junior High and now I have the privilege of listening to them share about their faith in the middle of Thailand. Crazy. It was an experience that I find difficult to put into words. He shared with us how grateful he is that God has provided for him in abundance. He was so grateful for his home, his work and the food he has every day. The three of us sat there humbled, knowing full well we would not be taking such joy in the same situation. I felt challenged in my faith in that moment. Do I take such joy in the ways God has provided for me? To be honest, most days go by where I don't acknowledge the blessings in my life. Yet, here I sit with this man who arguably has nothing, and yet he thanks Jesus with such joy for what he has been given. The three of us left encouraged but also challenged. We have a lot. We all do. All of us are blessed and we left feeling that because God has blessed us in abundance, we have a responsibility to love and bless others. God has entrusted us all with much, and that encourages and motivates me to keep on living and loving God.

CHILDREN'S MINISTRY

Contact: andrea@eastview.org

Children's Ministry during summer: *Each Sunday there will be a special Children's Feature from "Sophia's Garden" presented during the service. Children will be provided with an activity package to use during the sermon portion of the Sunday.*

Sunday morning Children's Ministry programming is closed for the summer. The nursery rooms and the Kids Cove room are open for families to use, but will be unsupervised.

Regular Sunday Morning Children's Programming resumes Sunday, Sept 8.

Children's Ministry requires many **volunteers** in order to run Sunday morning programming. Come September, we will be in need of volunteers for our Nursery, Jr Kids, Gr 1-4 and 56 Degrees programs. If you want to be a part of helping kids learn about who God is and how much He loves them, send us an email at kids Cove@eastview.org. Thank you!

The Bicycle Restoration and Vital Transportation Ministry @ One88 has been carrying on and meeting needs very well. We have restored about 12 bikes back into safe, reliable useful service. Most of the bikes are repaired by the very person who needs it. The need for safe restored bikes and helmets is on-going, so if you have a bike that is in decent condition and only requires a little TLC, One88 Bike Ministry needs bikes and will arrange to pick them up. greg@eastview.org

Do you long to hear God's voice more clearly and more often? Do you want to be equipped to lead others in listening as well? Set aside this time to be trained to pay attention to God's voice and his activity in your life. Immerse yourself in five common ways God is speaking to people today.
