A Note from Keenleyside Tenants Community Centre Newsletter

Thank you Eastview Church!

The volunteers from Eastview made Kids Club a fun and awesome time for the Keenleyside children on spring break.

The activities - swimming, gym fun, carnival and crafts - were so much fun for the children. Watching the young adults interact with the kids here is incredible! They share some really solid friendships with our youth.

We truly appreciate all that the Eastview Church youth group have done in our community, and your ongoing interest in our youth!

HAPPENINGS

Eastview Student Ministry

...a testimony from Cassie Bell

I started youth here at Eastview back when I was in grade 7. By being involved in the junior high and senior high programs, I was able to learn so much about Jesus and build an awesome relationship with God, other students, and the leaders here.

I learned about my gift of leadership and was able to discover a lot about myself. I grew so much in the youth program and got to experience so many fun (sometimes ridiculous) events (ie Gauntlet of the Grades). I participated in retreats, SOAR, and was baptized in 2012.

Youth and Eastview were the reasons for all of these amazing things happening.

I graduated from grade 12 last year which also means saying goodbye to 6 years of amazing times at youth.

There was a close knit group of 16 grade 12 students last year and we all decided that we refused to drift apart just because youth was ending. The summer went by and in September Cory started a young adults group. Almost all 16 of us joined and we welcomed a few new people too! We meet every second Tuesday at the church for a study, and every other Tuesday just to do something fun. It's nice to know that I can count on any one of them if I ever need help or advice or just someone to pray with.

I encourage everyone to get plugged in to one of the many amazing groups that Eastview has to offer. Building a community of faith is so important and the people are so supportive here. I wouldn't change my experience here at Eastview for the world.

Shoutout to the Young Adults group. See you Tuesday! #EVforever
