Who breathed across the water, to start up the very first wave - it was You

And they started singing the first song to ever be heard - they sang for You  
You make all things new*

## HAPPENINGS

This past Advent, **One88** carried on the Eastview tradition of hosting a Dinner Theatre, and it was a great success.

**A BIG THANK YOU** to the many many volunteers who invested time, energy, and talent to make this work. We are grateful for those who came (including many of you) and the sponsors who helped make it possible as well.

It was a beautiful "One88 community production" - meaning that people came from many different places to make it happen, and from all walks of life, to watch the unique re-telling of "It's a Wonderful Life."

We are planning on doing another production in the new ministry year – so keep your ears and eyes open for dates and opportunities to get involved.
