### PROPERTY & FINANCE COMMITTEE UPDATE

August, 2015

The committee's mandate; *Under the guidance and direction of the Leadership Board, the Property and Finance Committee is responsible for management and administration of Eastview's physical assets and finances.*

It's been a busy time for the committee. For the past several months work to facilitate the purchase for our downtown campus at 188 Princess Street has been a focus, and is now complete. Additionally, here is a snap shot of some of the year's other activities and projects;

-  • Fibre optics connectivity upgrade and required replacement of old network server \$8K
- Flat and shingled roof repairs \$10K 
- Clearing and sod laying at south property line \$6K
- Exterior doors replaced with steel doors \$18K
- Library shelves replaced due to flooding \$4K 
- Application submitted for exemption of property taxes
- Developed a system for identifying and prioritizing projects/maintenance needs for multi site operations

Fiscal and resource management, along with projects/maintenance needs are ongoing and as a committee we are excited to serve together while seeing where God continues to lead Eastview Community Church.

If you have questions about any of the work you see going on around you please feel free to approach any of us directly.

God's blessings to each of you,  
Committee Members; Chair – Alvin Klassen, Adam Wood, Rick Ginter, Ken Friesen, Cameron Friesen, Treasurer - Cory Normand. Leadership Board Liaisons – Jim Bell/Jeremy Boon
