CHILDREN'S MINISTRY

Contact: andrea@eastview.org

During the summer months - on Sunday mornings, families can attend church together in the sanctuary, where a portion of the service will be a children's feature.

During this time, children will be invited to come up on stage for an object lesson, designed to engage them in the morning's theme. Following the feature, we will distribute activity bags, which will include items to assist the children to remain engaged through activity, during the sermon.

If you have children that need to roam and play, the KidsTown room and nursery rooms will be available for your use, but you will need to provide supervision for your children. A simulcast of the morning's service may be available in KidsTown.
