HAPPENINGS

An update from the Property & Finance Committee

Thanks to everyone who came out to the spring congregational meeting last Friday evening. Over 100 members and friends gathered to celebrate God's faithfulness to our church family.

As anticipated, there were many questions from our members upon the presentation of an annual faith budget with a \$182K deficit forecast. One comment that stood out was in regards to communicating this financial reality to our Sunday attendees.

A **faith budget** is a *financial picture* of the kingdom building our church leaders have prayerfully considered for the upcoming year. The budget reflects Eastview Community Church's ministry priorities, and demonstrates the commitment we have to stretch ourselves as a congregation with all that God has blessed us with.

The congregational meeting was an open, honest and encouraging time of dialogue between our members and leaders. Questions were welcomed and the many comments received strongly supported the vision of our church continuing to be a people of Jesus serving the least of these.

It is humbling to serve in a community of vision and trust that ours is a God of abundance who rewards faithful stewards. A God that stands behind every servant who proclaims the Kingdom in the holy name of Jesus. And it is with this confidence that the faith budget for next year was accepted.

Progress reports towards our financial goals will continue to be published in the weekly bulletin. We ask for your prayers of complete reliance on God and thank you for your continued support of the mission *Leading people to Christ and on to maturity in Him.*
