Please pray...
*For those in our church family who are sick, for those anticipating or recovering from surgery, for those struggling with mental health issues, for those who are unable to attend services due to personal or health reasons. Pray that we would all seek and experience God’s presence, comfort, and His great love in our daily lives, and that we would extend His love to all we come into contact with.

*For our pastors & staff, leadership board, property & finance, and missions teams
*For the ministry at One88 Princess
*For Willowdale Fellowship in Tyndall MB, pastors Norm & Gwen Neufeld
*For Forward House, for Peter, and the staff and men in the program
*For Dave & Louise Sinclair-Peters, as they minister in Thailand and Burma
*For Hampstead School, for the Breakfast Program there, for the volunteers, teachers, and students.

Do you need prayer? We have a team of people who would love to pray with you after the service, in the front left area of the sanctuary.

We all want to be liked, cherished, and appreciated by our peers. But what if God cared less about these things? What if God didn’t care how many Facebook friends we have, or how many people follow us on Twitter or how many likes we have on Instagram? And what if God isn’t worried about how popular we are? In fact, what if the purpose of the Gospel isn’t to fit in at all, but in fact to stand out ...

“I appeal to you therefore, brothers, by the mercies of God, to present your bodies as a living sacrifice, holy and acceptable to God, which is your spiritual worship. Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect.”  (Romans 12:1-2, ESV)

God has called us to be different. To stand against the grain. To be a city on a hill. And to be the change for a world that lacks hope.

In this series we will look at key areas of our lives that God desires to change and help us to become different. God’s plan is to transform us in our spiritual, physical, mental, emotional, relational, financial and vocational life. When we learn to think differently, we will begin to live differently, and as we learn to think God’s way, we will begin to live God’s way.
