We all want to be liked, cherished, and appreciated by our peers. But what if God cared less about these things? What if God didn't care how many Facebook friends we have, or how many people follow us on Twitter or how many likes we have on Instagram? And what if God isn't worried about how popular we are? In fact, what if the purpose of the Gospel isn't to fit in at all, but in fact to stand out ...

"I appeal to you therefore, brothers, by the mercies of God, to present your bodies as a living sacrifice, holy and acceptable to God, which is your spiritual worship. Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect." (Romans 12:1-2, ESV)

God has called us to be different. To stand against the grain. To be a city on a hill. And to be the change for a world that lacks hope.
You are the light of the world. A city set on a hill cannot be hidden. Matt 5:14, ESV

In this series we will look at key areas of our lives that God desires to change and help us to become different. God's plan is to transform us in our spiritual, physical, mental, emotional, relational, financial and vocational life. When we learn to think differently, we will begin to live differently, and as we learn to think God's way, we will begin to live God's way.
