A Church In A Hard Place

Frequently at ONE88 Community Church people walk/limp in to our drop-in with minor, and more concerning scrapes, cuts, and aggravated blister sores on their feet. They are needing immediate attention, proper cleaning, bandages, antibiotic creams, gauze, etc. If you would be so willing to donate such front line first-aid items, they would be much appreciated, thank you! *"Often the inner-city church is like a field hospital" tending to the wounds of the broken hearted.*
