It has been said that a parable is an earthly story with a heavenly meaning. Jesus frequently used parables as a means of illustrating divine truths and challenging us on many levels. They challenge our understanding of ourselves, of God, of God's kingdom, and what God is hoping to do in the world. From Matthew's Gospel, ten parables have been chosen - covering a wide variety of topics and ideas. The central theme that ties them together is the challenge out of an agnostic, apathetic life into a life of kingdom-based action.

**Join us**, as we study/discern and find kingdom meaning and purpose from these parables.
