It has been said that a parable is an earthly story with a heavenly meaning. Jesus frequently used parables as a means of illustrating divine truths and challenging us on many levels. They challenge our understanding of ourselves, of God, of God's kingdom, and what God is hoping to do in the world. From Matthew's Gospel, ten parables have been chosen - covering a wide variety of topics and ideas. The central theme that ties them together is the challenge out of an agnostic, apathetic life into a life of kingdom-based action.

Join us, as we study/discern and find kingdom meaning and purpose from these parables.

CHILDREN'S MINISTRY

On Sunday mornings throughout July & August, families attend church together in the sanctuary, where a portion of the service will be a children's feature. Following the feature we will distribute activity bags to each child.

If you have children that need to roam and play, the KidsTown room and nursery rooms will be open and available for your use, but you will need to provide supervision for your children. Drop-off is not available through the summer.

A simulcast of the morning's sanctuary service will be available in KidsTown.
