Over 2000 years ago a man preached a sermon on a mountain's side that rocked the world. It became the most famous sermon in history. It has inspired, challenged and changed the way people live. It has been considered by many to be one of the most influential pieces of literature of all time.

Yet, for those who follow Him, Jesus' sermon on the mount is so much more.

These are the words of Jesus, the stories from the son of God, the message from the lips of the one who saved us and invited us into participation in His life. The sermon on the mount is Jesus' masterclass in how to be human, but not the type of human we know. It is a new kind of humanity made possible by the death and resurrection of Christ, which set us free from the corruption of evil. Jesus teaches His followers what it can be like for those who follow Him.

In the coming weeks, we invite you to be students of Jesus Christ as He preaches and teaches His sermon on the mount.

"The world would change overnight, if it would listen to Jesus' Sermon on the Mount." (Darrell Johnson)

Matthew 9:17

And no one puts new wine into old wineskins. For the old skins would burst from the pressure, spilling the wine and ruining the skins. New wine is stored in new wineskins so that both are preserved.

New Wine is still maturing and requires a flexible Wineskin - Maturing in an inflexible wineskin will cause the skin to burst... God is asking us for flexibility and a willingness in our spirits to be moldable and matured.

*Make me Your vessel, Make me an offering
Make me whatever You want me to be
I came here with nothing, But all You have given me
Jesus, bring new wine out of me

HAPPENINGS PAGE

Willowdale Fellowship, Tyndall MB

Good morning! Welcome to another week of life that seems to have its foot on the gas...the weeks seem to fly by quicker each year. Some say it's "age". Maybe, but I like to blame it on things like politics, technology and of course, "climate change".

I want to say a heart felt thank you to our brothers and sisters at ECC for committing to one more year of financial support for Willowdale Fellowship in Tyndall. We don't take your generosity for granted, knowing that the Lord's provision is through your faithful contributions to your own budget. This causes us to praise the Lord and to pray for you...for your pastors and leaders, your upcoming fall/winter programs, your obedience in being salt and light...

We have had a wonderful summer at Willowdale. Considering that so many have the potential to be away on holidays, we have had very little reduction in attendance. People are hungry for fellowship and The Word.

A few weeks ago we enjoyed an outdoor baptism at one of our member's outdoor pool. On Monday Sep 2, the weekly church service was held at our place after a BBQ. We are in a season of going deep with the Lord. A season in which the believers at Willowdale are genuine in their love for each other, being quick to forgive, gracious in hospitality and zealous in the Word.

In October we will resume our monthly seniors lunch. It ended in June on a positive note...attendance has gone up and they are looking forward to starting up again. Please pray for this group. Very few of the 35 attendees are from Willowdale and are slowly dropping their guard in regards to "church people". This has been a slow but real progression as trust is established. May the Lord grant us increasing opportunity to share His life.

I leave you with the lyrics of a beautiful song ...

*Oh the deep deep love of Jesus
Vast, unmeasured, boundless, free
Rolling as a mighty ocean
In its fullness over me*

(It is worth your while to look up the rest of the verses)

"Grace and Peace be multiplied to you..."

Norm Neufeld
