<p>6. Vision and Ministry Partnership Update</p>	<p>One88 lead team being developed. Current team is: Dave Ens (ex officio as campus pastor), Jonathan Wiebe (LB liaison), Jeremy Boon (P&F liaison) and Chad Friesen. This lead team functions as a working board for the LB.</p> <p>Willowdale Fellowship in Tyndall MB. Eastview members have been involved for the last four years. Norm Neufeld(pastor at Willowdale) and Dave Fulawka share updates through Q&A.</p> <p>1. Describe the community at Willowdale? We are only 25 minutes away and the only church in Tyndal. We are healthy, growing in family love and values. Willowdale does not have formal membership but rather has affirmation. Three more people were affirmed today. The goal is to build a healthy core and to listen to God’s leading.</p> <p>2. What has been happening in the last while at Willowdale? Answers to prayer. Looking back over the last 4 years, God has been answering pray and He is providing. Approximately 32 adults plus children attend. We have a seniors lunch monthly and family events. The church is growing close and getting known by the community. We have no genealogy as many other churches do but God is building a community in Willowdale. A foundation has formed where generations will build from.</p> <p>3. What about potluck? We have a meal together every Sunday. For many, this is their only family meal they have. Relationships are developing.</p> <p>4. What key gaps are there and how can Eastview help? Kids programs are needed (vbs, christmas program). We are lacking in volunteers.</p> <p>5. How can we help? Pray for us. It would help if members of Eastview plug in and share their spiritual maturity. Linking with people through kids programming (floor hockey) and the community seniors lunch (second Wednesday of the month, between 30-40 people currently attend) would be valuable.</p> <p>Dave calling out to Eastview to encourage members to connect with Willowdale. Dave prays for Norm and Gwen. Norm thanks Eastview for their involvement.</p>	
<p>7. Adjournment</p>	<p>Terrence shared a story from a recent trip that he went on with Melanie. On the trip, Terrence reflected on the things he left behind in Canada. He realized that their experience put a new light on the journey they were on. Not looking back on what is left behind, but experiencing where God is leading. How much more amazing is it when we look to what God has planned. Terrence closed in prayer.</p>
