It has been said that a parable is an earthly story with a heavenly meaning. Jesus frequently used parables as a means of illustrating divine truths and challenging us on many levels. They challenge our understanding of ourselves, of God, of God's kingdom, and what God is hoping to do in the world. From Matthew's Gospel, ten parables have been chosen - covering a wide variety of topics and ideas. The central theme that ties them together is the challenge out of an agnostic, apathetic life into a life of kingdom-based action.

**Join us**, as we study/discern and find kingdom meaning and purpose from these parables.

*Summer is a time of rest from regular programming in Children's Ministry - an opportunity for our volunteers to get "recharged" for the coming ministry year. On Sunday mornings, families can attend church together in the sanctuary, where a portion of the service will be a children's feature. Following the feature, we will distribute activity bags, which will include items to assist the children to remain engaged through activity, during the sermon.*

*If you have children that need to roam and play, the KidsTown room and nursery rooms will be open and available for your use, but you will need to provide supervision for your children. Drop-off is not available through the summer. A simulcast of the morning's sanctuary service will be available in KidsTown.*

This allows us to talk about One88, the work that is done here, and what this place has come to mean to the community. If you are able to bake cookies, contact Heather at [heather.sorensen@decisionworks.ca](mailto:heather.sorensen@decisionworks.ca) and indicate how many. Cookies may be dropped off (please label) at Eastview or One88 **on or before July 16.**
