Over 2000 years ago a man preached a sermon on a mountain's side that rocked the world. It became the most famous sermon in history. It has inspired, challenged and changed the way people live. It has been considered by many to be one of the most influential pieces of literature of all time. Yet, for those who follow Him, Jesus' sermon on the mount is so much more.

These are the words of Jesus, the stories from the son of God, the message from the lips of the one who saved us and invited us into participation in His life. The sermon on the mount is Jesus' masterclass in how to be human, but not the type of human we know. It is a new kind of humanity made possible by the death and resurrection of Christ, which set us free from the corruption of evil. Jesus teaches His followers what it can be like for those who follow Him.

In the coming weeks, we invite you to be students of Jesus Christ as He preaches and teaches His sermon on the mount.

"The world would change overnight, if it would listen to Jesus' Sermon on the Mount." (Darrell Johnson)
